Key

*** Concurrent enrollment in ballet is required**

**** Teacher approval is required**

BI **Beginning/Intermediate**

Generally, 0-3 years of study in that discipline.

Teachers will assume the students are newer to the vocabulary, steps, and techniques, and will teach or “break down” steps at a pace set by the class.

IE **Intermediate/Experienced**

Generally, 3 or more years of study in that discipline.

Teachers will assume the students have a basic understanding of steps, vocabulary, and techniques, and will not “break down” the steps as much as build on what the students already know. Pace is set more by the teacher & curriculum than the class.

ADV **Advanced**

Requires much experience, knowledge and ability in that discipline. Teachers will assume the students have knowledge of vocabulary, steps, and techniques and will move at a quicker rate.
